MEMORANDUM FOR: Special Assistant to the Director
for Planning and Coordination

SUBJECT: Draft for Inclusion in the USIA's
Public Advisory Commission's
Report to the Congress

1. Attached is a draft on the above subject which Mr. Loomis cleared with me. You will recall that you were unable to talk with Mr. Loomis about this on 1 December. In the event that you see anything objectionable in this, I think we could still request, through Mr. Loomis, a modification in the Commission's Report, which has probably not yet been completed. Mr. Loomis was unable to say, of course, whether what he had proposed to Dr. May would be accepted by the Commission.

2. If you are satisfied with this please return it and I will hold it in the file.
